

POSITION ANNOUNCEMENT

INVENTORY FORESTER

LONE ROCK TIMBER MANAGEMENT COMPANY

Lone Rock Timber Management Company, headquartered in Roseburg, Oregon, is a family owned and operated company managing 130,000 acres in Western Oregon. Lone Rock is a fully integrated forest management company involved in a wide spectrum of activities including reforestation, silviculture, logging, inventory, surveying, cruising, appraisal, log sales, and road construction. We are a progressive, cutting-edge tree growing company with highly-skilled and motivated high-quality personnel.

Lone Rock currently has an opening for the position of Inventory Forester in Roseburg, Oregon. Primary responsibilities for this career opportunity include conducting field inventory, data analysis, and harvest scheduling. This job is physically and mentally demanding; requiring organization and attention to detail both in the woods and in the office. It also requires the ability to work on a wide range of terrain in a wide range of weather conditions.

Candidates must have an Associates or higher degree in Forest Management or similar field with 1 year of relevant experience preferred. Candidates must be well-organized, excel at working alone, proficient with data management software, and most importantly, be inspired to perform high quality work that serves as the starting point for intensive forest management. GIS experience is preferred but not required.

Salary is commensurate with experience and ability. Benefits include: paid vacations and holidays, generous medical insurance, life insurance, and a 401(k) retirement plan with company match. Lone Rock Timber Management is a drug free, equal opportunity employer.

To apply, send a resume with references to AKellom@lrtc.com or mail to: Lone Rock Timber Management Company, PO BOX 1127, Roseburg, OR, 97470. For specific questions regarding the position, contact Tim (541) 673-0141 ext. 504. Closing date for application is 5/18/2018.
